THE SOLUTION SOURCE | JOHN 14:6

Jesus is the Way, the Truth and the Life Ministries International (JWTL), is a large and ever-expanding ministry whose Head offices are in Uganda. JWTL operates with three main arms that cover all its operations globally; International School of Christian Growth (ISCG), Jesus Christ Church International (JCC) and Body of Christ Fellowship (BCF).

**Vision:** To Unveil the Bible Truth and aid lives in need.

**Mission:** To Proclaim Christ, Edify the Church and transform communities.

**Motto:** In Christ we can do all things.

**Core values:** Love | Bible Truth | Transformation | Excellence

**Appreciation Note:**

Words which can fully express our gratitude for your big-hearted support to JWTL vision, Mission, activities and Projects are really very limited, but we are forever grateful to God for working generously through you to Unveil the Bible Truth and aid precious lives in need around the world.

Hebrews 6:10 (AMP); For God is not unjust to forget your work and the love which you have shown for His name in ministering to [the needs of] the saints (God's people), as you do.

With help of your unmatched contributions, we have been able to accomplish the following:

■ **We hosted Pastor Bertie Brits, in the Bible Truth Seminar which was held in Kampala and Gulu.**

**We held our 7th Official Graduation Ceremony for our Certificate, Diploma and Degree Students.**

**Body of Christ Fellowships were held, members visited and so far, two have been supported.**

**On-going Projects:**

■ **Water Project Uganda, Phase 1**

In June we started our water project and by the end of July our 1st phase was successfully completed. We intend to provide free clean water to the inhabitants of Butiikwa – Kiwoko village in Nakaseke District of Uganda.

The project will take more three (3) phases and it will be fully completed. An estimate of 1000 people who are within the community will be beneficiaries.

■ **Building Project - Uganda, Phase 1.**

In July, the foundation stone that marked the official start of the construction of our first ministry home premises was laid by our precious brother Pr. Bertie Brits.

This project is divided into several phases until its accomplishment. Our 1st Phase targets laying down the foundation of the Administration block by 15th of November 2019.

■ **Income Generating Project, Phase 1.**

In August, we embarked on establishing an income generating project for JWTL which is intended to be one of the ministry source of funds required for all its operations across the globe. The project line of interest is Agribusiness. This project is divided into three (3) phases before it can start benefiting the ministry. Our 1st Phase is to acquire a piece of land by November 24, 2019.
